

**State of Minnesota**

If you are a veteran in Minnesota and have been diagnosed with mesothelioma or another asbestos-related disease, contact a Veteran Service Officer near you for help in filing a VA claim. These professionals know their way around the VA system and can assist veterans and their families in determining VA benefits for which they may be eligible.

| County               | Service Officer   | Address  | Phone/FAX  | Hours   |
